PLANTING DESIGN

California Native Garden, Los Angeles, CA

Debbie Glikzman

Urban Oasis Landscape Design

Los Angeles, CA

USDA ZONE: 10B

JUDGES' PERSPECTIVE:

“A nice transformation using water-wise plants. An interesting blend of planting layers and colors make a successful scheme.”

RESIDENTIAL DESIGN OVER \$100,000

Tarzana Hilltop, Tarzana, CA

Debbie Glikzman ***Urban Oasis Landscape Design***

Los Angeles, CA

USDA ZONE: 10B

JUDGES' PERSPECTIVE: "Creative use of swaths of plants to support this Tarzana hilltop. Good transformation of the pool space, and highly textural plants give the design energy. The plan reveals the designer's intentions and supports many of the detailed decisions."
